

RECORD CROWD SEES OPENING EVENTS OF GRAND CIRCUIT YEARS

CLEVELAND, July 5.—The 1920 Grand Circuit harness racing season was opened at North Randall track today before the largest crowd that ever attended a meeting here with a program of seven events that took seven hours to finish.

The feature event on the card was the Edwards stake 2:08 class pacing, divided into two divisions, each worth \$3000. Red Lancelot, driven by Charles Valentine of Columbus, Ohio, won the first division, and John Henry, driven by Tommy Murphy of Poughkeepsie, N. Y., won the second division. The best time in each division was 2:03 3/4, which equaled the track record for the stake.

Valentine was awarded the Edwards cup because Red Lancelot won in straight heats and in the fastest average time.

Symbol S. Forest, driven by Murphy in the first division, finished second to Red Lancelot, and Edna Early was third. The judges fined Murphy \$300 for laying back with the gelding in the third heat.

Roy Grafton, winner of the 2:04 pace, and Red Lancelot were the only winning favorites.

JORDAN HAS RUFUS HANGING ON ROPES WHEN TENTH ENDS

(Special to The Republican)
RAY, July 5.—Only the bell in the tenth round saved Rufus Williams from a knockout at the hands of Cliff Jordan, coast middleweight, in a sensational 10-round go here today. Rufus was hanging on the ropes when the final gong sounded.

During the first seven rounds the men waged battle on even terms, but in the eighth Jordan crashed home a terrific right to the colored man's jaw and from then on it was a procession for the Californian. Only Williams' superior ring generalship carried him through to the finish.

The fight was one of the fastest and cleanest ever staged in this community. It was under the auspices of the American legion. A record-breaking crowd was in attendance, fans coming from all sections of the state.

Milton, Averaging 95 Miles an Hour, Wins Tacoma Race

TACOMA, Wash., July 5.—Tommy Milton, racing off 25 miles in 2 hours 23 minutes and 23 seconds, won the ninth annual speedway automobile race here this afternoon. He averaged 95 miles an hour, the fastest time yet made on the local tracks in a race of more than 100 miles. He won the \$10,000 first prize.

Mulford was second and the other drivers finished in this order: Harne, Klein, Sarles, Murphy, Gaston Chevrolet and O'Donnell.

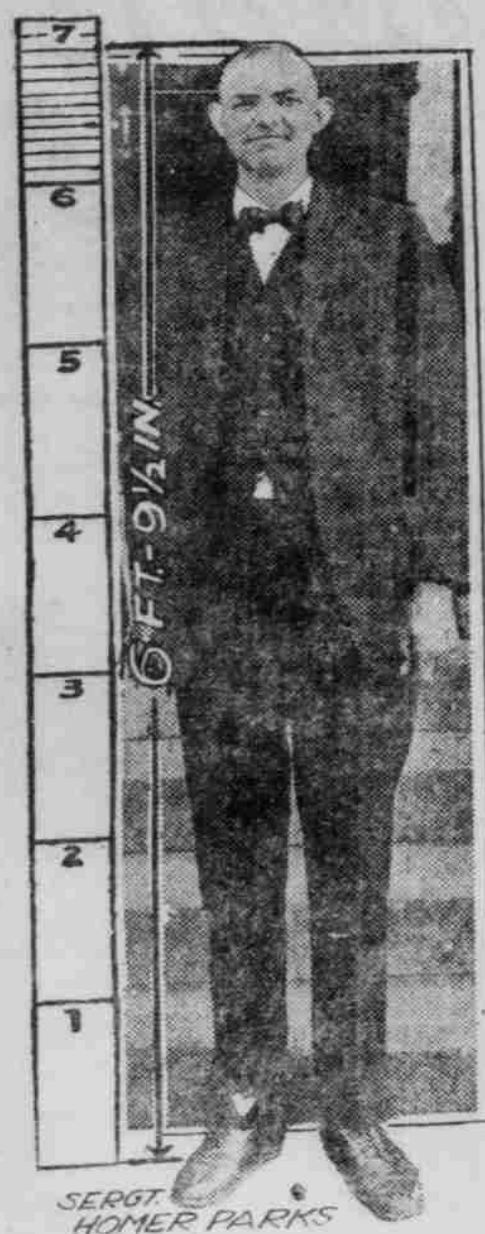

Chevrolet, winner of the Indianapolis race on Memorial day, had motor trouble. Ralph de Palma was the victim of bad luck all day. His French car was unable to start the race and he started in the American car of Eddie Miller, but was forced to quit on account of engine trouble. Durant, Thomas and Boyer were also forced out.

A crowd estimated at 40,000 persons saw the race. There was not an accident to mar the day.

NAMED CITY FOR A CAMEL

In Plutarch's "Life of Alexander" he tells that the great battle this distinguished Macedonian fought with Darius was at Gaugamela, which signifies "the camel's house," and says that one of the ancient Persian kings, having escaped the pursuit of his enemies on a swift camel, in gratitude to his beast, settled him at this place with an allowance of certain villages and rents for his maintenance so long as he should live.

Tallest Man In A. E. F. Weds

FLINT, Mich.—Sergeant Homer Parks, ex-soldier, recently married Miss Lelia Moore of Yakima, Texas, in the Memphis, Tenn., Y. M. C. A. Now he thinks the whole world should look up to him. And believe us, that is some job, for Parks is 6 feet 9 and one-half inches tall—just a foot higher than his bride. He was the tallest man in the A. E. F. and led the American military parade through Paris.
